

Sacramento Area Tennis Association

Board Meeting Synopsis

March 8, 2016

Donna Cline and Paula Goldstein put on a fund raising tournament at Johnson Ranch that raised over \$900 for the SATA high school programs. 32 weekday lady members & friends enjoyed round robin tennis, lunch, desert bar & raffle. Paula spoke during lunch about what SATA is doing at the schools we support and recommends nets for two schools from these funds. Balls, raffle prizes, etc. were donated. Would like to try evening and weekend events.

The online player registration for the spring interclub leagues went well. We have drafted and will post a refund policy for future leagues. Winning teams will receive a Champions pennant for posting at their club.

Online draws/scoring is progressing well and should be available for the next youth Grand Prix event. Will link to online registration database that will have entries confirmed when payment is received.

Next board meeting: Tuesday, May 10, 2016, at Rio del Oro Racquet Club at 6:30
