Paula Goldstein reported on our youth programs. Three high schools have been supported during the past year. Thanked to Helen Barrott for her contributions. Contributed to a fourth school for the girls tennis season. Program started 4 years ago and has grown to providing racquets, shoes and uniforms. Remind your friends over the holidays that as they get new equipment SATA will gladly accept gently used shoes and tennis racquets which we will re-grip and re-string. Florin, Rio Linda, Valley and Laguna High Schools have been helped. Always a need for hitting partners, security clearance not required as long as under direction of coach. High school teams have worked to raise money to augment the SATA donations.

Grand Prix is for juniors, 10 & under through 18 & under. In 2015 15 tournaments, 485 players.

Discussion ensued regarding new league player registrations. At least one club will not have leagues next year due to the change in team registration, at least from the men's side. Concern that information had not been shared earlier requesting feedback from captains. Others stated they liked the new process.

Need to improve communication between board and club reps and captains.

Thank you to all for attending.

Adjournment at 8:10

**Next board meeting:** Tuesday, January 12, 2016, at Round Table Pizza (Madison & Hazel) at 6:30.

Respectfully submitted by Connie Lugo
