

## Sacramento Area Tennis Association

### Board Meeting Synopsis

January 12, 2016

We need used racquets and gently used tennis shoes for our youth tennis programs. SATA supports various tennis programs at Florin, Laguna Creek, Rio Linda, Valley high schools. We have \$500 budgeted for each school, \$250 for boys & \$250 for girls. Schools need to be in impoverished areas. SATA would like to higher coaches for teams if we raise enough money.

Interclub forms, leagues and guidelines have been updated. Calculating rating eligible matches is now complete and updated.

Team registration has been tested and is online. Captains register for free. Player registration begins February 13.

New for 2016, Interclub champion pennants will be given in addition to money to league winning teams. Teams can opt to donate winnings back to SATA to support SATA's youth community projects.

There are 15 Grand Prix tournaments scheduled for 2016. We are working toward online draws and scoring. Players can access draws online which can also be printed. Ultimately all done online. An email will be sent to the Grand Prix pros on where we are headed with the online draws.

#### 2016 Goals:

1. Increase interclub leagues and teams
2. Automate Grand Prix
3. Activate facebook
4. Add adult 1-day tournament to Grand Prix
5. Explore executive director position
